

Why You Should Add Encapsulation To Your Carpet Maintenance Program

1

Provides Exceptional Cleaning

2

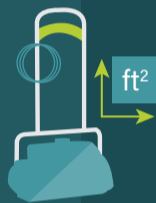

Very cost effective uses less labor, cleans faster than traditional extraction

Using Crystal Dry Extra with a Whittaker Machine

Premium Hot Water Extractor and Cleaning Solution

Cleaning Time (per 1000 sqft)

~20 mins

100+ mins

Cost of Chemistry and Labor (per 1000 sqft)

~\$10

\$40+

Drying Time

~2 hrs

~24 hrs

1. Increases Productivity

Can clean faster than extraction

4. Lifts the Carpet Pile

Which is recommended by the carpet mills to extend carpet life

2. Fast Drying Time

Less than 2 hours after cleaning, if not faster

5. Is Convenient

Easy set up and easy/less strenuous to use

3. Significantly Less Water Usage than Extraction

Roughly 80% less water than extraction
